Why You Should Attend the Annual Congregational Meeting

Ron Iman, Council President

It is reassuring for each of us to know that no matter what we may have done during the week, we can come to church on Sunday and the doors will be open, the building will be clean and heated or cooled, the bulletins will be printed, the music will be rehearsed, and a sermon will be prepared. We can leave immediately after the service and come back the next week and an entirely new service will be ready. In the words of the Russian comedian Yakof Smirnov: "What a Country!"

The activities of Faith do not happen by accident as many folks are hard at work behind the scenes during the week to make our Sunday services and other events possible. The staff has been hard at work carefully planning and preparing for the services, the musicians have been busy rehearsing, and the pastors have prepared sermons.

Each of us should keep in mind that we need to do everything we can to support and pray for our staff and pastors as they undertake these weekly activities. Your church Council recognizes the crucial need for such support. During this past year, the Council has been very proactive in finding ways to provide and improve this support.

The Council meets every month except July. These meetings are centered on Faith's Mission and in finding ways to better enable us to carry out this important mission. This past year has been no exception. In particular, the Council has reviewed several topics that lead directly to support of staff, pastors, and our Mission. Following these in-depth reviews, the Council has taken actions as such reviews might dictate.

In the past year, the Council has reviewed stewardship, physical modifications for the 11:00 am service, the pastoral office, Faith's publications, and Faith's website. More of these in-depth reviews are planned for 2007 and 2008. The Council feels that if we are to have an effective ministry, we need to keep the congregation informed of Council actions. Therefore, actions taken by the Council in regard to its reviews will be briefly summarized at the annual meeting.

At the same time, members who desire more information about Council actions should be aware that the Council is very open with respect to its meetings and that detailed minutes of every meeting are available upon request.

As previously announced, the Annual Congregational Meeting will be held at 9:30 am on February 4. Regular worship services will be held at 8:00 am and 11:00 am on this date, so please make your plans accordingly.

This is a very important meeting and is your opportunity to be informed about Council actions and to show your support for Faith's ministry. The Financial Committee has worked hard to develop a budget for 2007. The Council has carefully reviewed this budget and has made a decision that for the first time ever, members will have the opportunity to vote on which of three possible budgets they are willing to commit to support through their giving. These budgets are referred to as "Bare Bones," "Tithing," and "Vision."

Please make plans to attend this important meeting.

If we have sown spiritual seed among you, is it too much if we reap a material harvest from you? If others have this right of support from you, shouldn't we have it all the more? 1 Corinthians 9:11-1 (NIV)

Bread of Faith Pantry

It has been some time since we had an update on this food ministry program. A supply of soups, casseroles, canned goods, and other staples are available to be given to or delivered to Faith members with a temporary need, such as the arrival of a new baby, recuperation during an illness or hospitalization, or other short-term needs. Please contact Vicki or Linda through the church office to make arrangements for us to help you.

Thank You, Keenagers

In November and December, the Keenagers donated canned goods and staples to use for the Bread of Faith Pantry, which is very much appreciated. We will be able to continue serving those in need with your generous donations.

▣ Dear Pr. Bruce, Staff & Church Members:

Thank you for the special caring and prayers given for me during Don's illness. We (Marianne, Randy and I) shall forever be grateful to you, Pr. Bruce, for your visit with Don at the VA Hospital on November 15 after a mild heart attack. Your beautiful prayer for him and us was so inspiring and Don's deep appreciation was so moving with his gestures toward you. I will always cherish that moment.

Your memorial service for Don on November 27 was so special, as well as the Marine Corps League honoring a "fellow Marine" and presenting the family with a special citation and three Marine insignia medals.

It is with great gratitude to Duane Adams, Director at French Mortuary, for his gentleness and caring for the entire family during our final preparations when our hearts were saddened and heavy laden.

God's grace is sustaining me with comfort and peace, however difficult my loss. Thanks to everyone again. I look forward to continuing my ministry (clerical) at the church office.

In Christ's Love,
Charmaine Schmille and Family

Thank You (continued)

▣ Dear Faith Lutheran Staff & Partners in Prayer:

We were so touched by your letter telling us you will be praying for us, by name, asking for God's blessings of strength, healing and guidance in our lives. We feel so blessed to be a part of the Faith Lutheran family. We have searched for a church home for quite sometime, and feel we have finally found one in Faith Lutheran. It is so heart warming and touching to know God has placed us in a Christ-centered church, where others reach out to one another in His name, and a place where God is worshipped and glorified.

Thank you for your love and prayers,
Rita and Jim Peaslee

▣ Dear Faith Friends:

Thank you so much for your generous holiday season gift of $130 (from Sarah Small Group) to help **Roadrunner Food Bank** feed hungry people throughout New Mexico. With help like yours we are able to provide 15 million meals each year to make life better for hard working parents and their children, for seniors, for people who have experienced an unexpected crisis, and for people who live in hard-pressed, remote rural areas.

Sincerely,
Melody Wattenbarger, Exec. Dir.

▣ Dear Faith Lutheran Church:

Thank you for your generous donation of quilts (from Faith Quilters) to **S.A.F.E. House**. Your support will help Albuquerque families and individuals who are fleeing domestic violence and working to rebuild their lives. S.A.F.E. House provides a range of services to more than 1,000 men, women and children each year. Domestic violence continues to be a serious problem in our community and we work collaboratively with a wide range of organizations to develop effective responses to it. The support of donors like you is essential to this effort.

Sincerely,
Michele Fuller, LISW, Exec. Dir.

▣ Dear Faith Lutheran Church:

Thank you so much for all your thoughtfulness and generosity in providing toys, gloves and caps to our school. Our students and their families appreciate all the extra help they get from you. The kids were so excited about picking a brand-new toy.

Sincerely,
Ro Ellsworth-Little
Baca/Dlo'a yazhi Community School

▣ Dear Faith Lutheran Church:

We would like to thank you for your kindness and generosity. Your recent $500 donation is so greatly appreciated. We will use your gift to provide necessities for APS homeless students: underwear, socks; warm coats, gloves and scarves; and school supplies. Without your support to our students and the **Title I Homeless Project**, we would not be able to do so. Thank you for caring as much as you do!

Sincerely yours,
Helen Fox, Liaison

▣ To the Good People of Faith Lutheran Church:

Thank you for supporting the mission of **Heifer International**. It is because of the support of people like you that we know that we will end hunger and poverty. I want you to know that your gift of $1,000 will indeed make the world a better place. A new animal, such as a heifer or a water buffalo, is a tool of empowerment for a family in the developing world. These animals are harbingers of self-reliance. I sincerely hope that you will continue to support Heifer. Please remember our motto… "PASS IT ON!"

Yours for a better world,
Maria Franco-Tapia

▣ Dear Friends:

Thank you so much for your generous gift of $500. Your support for the children of **Cuidando Los Niños** and their families will help us continue to provide services so necessary in the battle to end homelessness. Thank you for making a difference. With continued support from donors such as you, our program continues to flourish as a bright spot in the lives of those who must face the uncertainties of homelessness. Each time I walk across our campus and hear the laughter of a child, I am reminded that the services you and others like you make possible are truly life giving.

Sincerely,
Suzanne Farley, Exec. Dir.

▣ Dear Friends:

Thank you for your donation of $500 to the **Salvation Army** of Albuquerque. Your contribution is greatly appreciated, and your faith in us is most gratifying. We have many needy families and individuals to assist throughout the year. Our goal to provide assistance could never be achieved without the help of such giving people like you. God bless you for your compassion for those less fortunate.

Respectfully in Christ,
Donald Takeuchi, Major, Corps Officer

2007 Council Elections

Council Elections ~ January 21 and 28, 2007

Candidates ~ Vice President (vote for one)

Jeremy Oswald

Jeremy Oswald moved to Albuquerque in late 1997 where he met his wife Beth. Married in 1999, Jeremy and Beth joined Faith Lutheran after being introduced to the congregation by Clark and Vicki Aamodt. Born and raised in Lincoln, Nebraska, he readily adapted to both the climate in New Mexico and the change from the Missouri Synod Lutheran Church in Nebraska, to the ELCA, and now the LCMC at Faith. Jeremy and Beth have a daughter, Jacqueline, 4, and a son, Jacob, 1.

Jeremy is a Vice President and Business Banker with Wells Fargo, where he has worked for over 10 years. He is committed to working with business owners to help them succeed financially. Jeremy is involved in the Albuquerque Chamber of Commerce's Leadership Albuquerque Group and was involved in a similar Leadership Las Cruces program during the Oswald's time in Southern New Mexico. He holds a B.S. in Economics (University of Nebraska), and an M.B.A. (University of Nebraska/University of Phoenix).

Jeremy has served on the Finance Committee here at Faith, and, with the help of the other Finance Committee Members, helped arrange the most recent financing for Faith's building expansion. He will gladly serve Christ and the membership if elected.

Patrick (Pat) Orell

I was raised in Roswell, NM. (I was born two years before the "Incident" and am convinced that UFO stands for Unlimited Financial Opportunity.) I attended New Mexico Military Institute for high school and junior college, graduating in 1965. In 1966 I was commissioned in the Army and spent 23 years on Active Duty in The Signal Corps serving in Okinawa, Vietnam, Europe and the United States. I returned to Portales, NM, after Vietnam and completed college on the Army Bootstrap program in 1971 and while there met my wife Elise. We spent a tour at West Point where I was the Director of Audiovisual Instructional Technology and after a tour in Germany returned to the United States to serve as the Professor of Military Science at Pan American University in Texas for my last tour before retirement in 1989.

Upon retirement I was hired as the Chief of Staff at New Mexico Military Institute for over 8 years. Elise then got an opportunity to become a librarian in the Albuquerque Schools so we decided it was time for me to follow her and we came to Albuquerque in 1998 where I was hired by Lucent Technologies as their Maintenance Supervisor for the state. When they moved their operations to Phoenix in 2001, I then joined Qwest communications as a Network Operations Supervisor.

Elise and I have two sons, Eric and Nels. Eric is a teacher and basketball coach at Manzano High School and Nels graduated from UNM this past year and works at the Branch Law Firm. Eric and his wife Malia are members at Faith and Elise's mother Annelies Dahlquist is also a member. We have enjoyed Faith and the many opportunities it offers. Elise and I have served as members of the Preschool board and I served as treasurer for a time and was president in 2004. I have also worked on Habitat for Humanity projects, helping with three homes. I now help with the sound once a month at the 9:30 service. If elected I look forward to serving on the Church Council and making any contribution of time and talent they see fit to use.

Candidates ~ Council Members (vote for four)

Kris Stichman

As a native of Madison, Wisconsin, I am a lifelong University of Wisconsin and Green Bay Packer fan. John and I moved our family to Albuquerque 34 1/2 years ago and I have been a member of Faith for 32 years. We have three children, Dave and his wife Jill who live in Portland, OR; Amy who lives in Milwaukee, WI; and Kit and her husband Don and children, Reese (5) and Aidan (1) who live here. I attended the University of Wisconsin and have a BA in Business Management from the College of Santa Fe.

I believe that people need to be involved, both in their church and in their community. With that in mind, I am involved at Faith with the Chancel Choir and Spiritborne, have worked with our youth in Sunday School, VBS and at the High School level, was an Adult Bible Study Leader, on the building committee for the current sanctuary, and worked in the office at Faith for several years. And when called upon, I have been an usher, Communion assistant, and lay reader. I was also the Church Council Secretary for a couple of years in the 1980's. John and I were board members for Lutheran Marriage Encounter. I was chairman of the committee for Faith's 50th anniversary and of the 60th anniversary Veteran's celebration, on the committee for the LCMC conference in October, and chaired the Council nominating committee in 2005. At the community level I sing with the group Quintessence, am on the board of New Life Symphony Orchestra Southwest, a Christian group that is getting started in Albuquerque, a Voting Member of the High Desert Home Owners Association, and I volunteer with Habitat for Humanity when I have time. When not "hanging out" with my beautiful grandsons, I enjoy traveling, reading (especially history and mysteries), quilting and knitting.

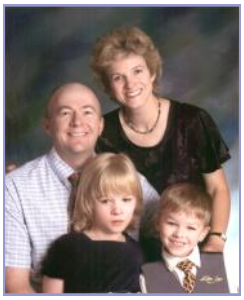

Larry Wilson

Following my early years in North Dakota, my life took some interesting and circuitous directions. In 1979 I married Pat and subsequently re-entered the Air Force. With our children Kate, recently married and in graduate school in MN, and Scott (deceased), our family lived "around the world." We came to Albuquerque on an Air Force assignment in 1994, and joined Faith in 1995. I retired from the Air Force in 1999, and I began work with Blue Cross Blue Shield of New Mexico where I am employed as Chief Medical Officer.

Prior to our joining FLC, my church activities included multi-denominational Protestant Council activities at various Air Force assignments. Here at Faith, my activities have included the Ambassadors, usher, post-service communion server, and the Friday Morning Men's Breakfast group. I serve with the Men of Faith and the Men's Ministry Team. I initiated the recurring service of the Men of Faith to the Roadrunner Food Bank.

Our life has been richly blessed, and we have also known loss and sadness. Since joining Faith, we have greatly appreciated the worth and support of our friends and church family.

My personal values are integrity, service, and excellence. I am honored to have been considered as a nominee for this position. If I am elected to the Council, I will try to utilize my skills, talents and values to be a good steward for the clergy and the congregation of Faith Lutheran Church.

Randy Riddle

Randy and his family joined Faith Lutheran in 2006 and have attended Faith for the past three years. He has been married to his wife Sherry for 17 years, and they keep busy raising Samson (7) and Cassidy (10). Randy's oldest son Christopher (21) attended El Dorado High School and is now a Corporal in the US Marine Corps. Randy recently retired from the Air Force as a Lieutenant Colonel after serving 22 years as an engineer and program manager, and now works as Chief of Target Integration for the Missile Defense Agency on Kirtland Air Force Base. Randy also serves on the Board of Directors for the 22q13 Deletion Syndrome Foundation and chairs the Foundation's Research Support Committee which works internationally with research institutions, facilitating research initiatives to define and seek treatment options for the genetic syndrome which affects his daughter Cassidy.

I believe that Faith chose wisely and faithfully in leaving the ELCA to associate with LCMC, and I was very encouraged by the thoughtful and prayerful manner in which this difficult decision was reached by the membership and leadership of the church. I believe that God's Word teaches us to respect life, His greatest creation, through teaching our children and the discipline of our hearts in deference to His wisdom. If elected to serve on the council, I will do my best to shepherd His church in service to Him, through disciplined stewardship of the resources He's blessed us with, and effective discipleship to help those who are lost to find Him.

Al Lanting

It is with honor and my privilege to be nominated for Council here at Faith Lutheran Church. My bride of 26 years, Sharon, and I became members of Faith shortly after Bruce Wilder became our Senior Pastor. Sharon and I attend the 11:00 A.M. contemporary service.

On Sunday mornings before the 8:00 A.M. service, I attend the prayer service and pray with our pastors. Sharon and I usher and are greeters at the 11:00 A.M. service. I am involved in the Faith Promise Keepers on Saturday mornings.

I have been involved in animal agriculture for over 35 years. I am a Sales Manager for the Land O'Lakes/Aretsia Mineral Plant. We currently serve the dairy industry in New Mexico and West Texas. I am currently a member of the Professional Dairy Heifer Growers Association, New Mexico Cattle Growers Association, New Mexico Wool Growers Association, and have served as President of the New Mexico Feed and Grain Association.

Thank you for your support, and with God's help, I look forward to serving our congregation here at Faith.

A Prayer Reminder

Many times we fold our hands together to pray. Here is a "handy" craft that can help you remember what to include in your prayers.

What you need:

- 2 sheets of 8½" x 11" construction paper (different colors)
- Pencil
- Scissors
- Crayons
- 1 piece of ribbon, yarn or string about 6-12 inches long
- Glue (white or glue stick)

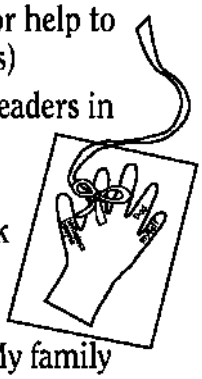

What to do:

1. Trace your hand on one sheet of paper.
2. Cut out the traced hand.
3. Tie the ribbon, yarn or string around the pointer (index) finger.

4. Write a message on each finger:
 (*Pointer finger*) God's guidance (pray for help to follow God's ways)
 (*Middle finger*) Leaders in my life (teachers, pastors, etc.)
 (*Ring finger*) Sick and old people
 (*Pinky finger*) Myself(*Thumb*) My family

5. Glue the hand onto the other sheet of paper.
6. Start with the ribbon finger and pray for God's help. Then pray for all the people on each finger.

Believe

One of our very own youth has committed to helping our church get transportation for the Youth Department in a very special way!

Sydney Schneider has recorded a CD entitled "Believe" at no expense to our church. All monies collected will be donated toward purchasing a safe vehicle for transporting FLC Youth to events, camps, and retreats. This is your opportunity to have some great music... and contribute to a much needed and worthy cause. Please stop by the table in the Centrum each Sunday for a list of songs included and purchase a few CD's for a suggested donation of $10 each.

Building Faith in Your Children

As we begin 2007, please consider the importance of your child's spiritual journey. Sunday School is offered for ages 4 years through High School from 9:30 to 10:30 am on Sunday mornings. Wednesday night provides a time for fellowship and learning in creative ways with our WEBS (K-5), H2H (Middles School), and High School group. All Wednesday programs begin at 6:00 pm and end at 8:00 pm.

Read Proverbs 22:6 to discover the importance of your child's faithful attendance and then come partner with us as a volunteer. It's a blessing to watch our children mature in their knowledge and love for the Lord! Could this be one of <u>your</u> New Year's resolutions?
